Supply terms

Infill	PVC 0.38 / 0.5 mm
Nozzles	PP, 25–65 mm
Sprinkler	ABS rotary head
Fan blades	Aluminium alloy
Motors	0.75–37 kW IP55
Lead time	Ex-stock Dhaka

How to order

- Send the equipment nameplate photo (model, serial number, year) and the part code or a photo of the worn part.
- Wear parts (fill, nozzles, sprinklers, belts, seals, filters, contactors) ship from Dhaka stock; imported items are quoted with lead time.
- Fitting by MHM technicians is available with the same warranty as new equipment.

Order or ask for a recommended spares kit

+880 1321-206755 · sales@mhmmachineries.com — an MHM engineer can propose a two-year critical-spares kit for your plant so a failure never waits for import.
